ABHIJITH SUNIL

TradeSettlement&Operations|Client Service Specialist

E 91 8105945591 abhijithps280401@gmail.com q www.linkedin.com/in/abhijith-sunil-155073252 Bengaluru

SUMMARY

Specialist in trade settlement and custody operations with hands-on expertise in Repo, DVP, FICC, FX, and SGA futures settlements across US and non-US markets. Skilled in trade reconciliation, break resolution, client communication, and process optimization, consistently achieving 98% STP and reducing unmatched trades by over 50%. Adept at coordinating with internal teams, brokers, custodians, and external stakeholders to mitigate operational risk. Seeking to contribute to trade operations or client service teams in a leading financial institution.

EXPERIENCE

Process Specialist

Infosys BPM — June 2025 to present — Bengaluru

- Processed **250 daily Repo 1, DVP Repo, and FICC Repo settlements** with **100% accuracy**, ensuring timely **cash and collateral movements** aligned with **market standards**.
- Reconciled **150 EMDB and No-SSI trades per day**, identifying and resolving discrepancies to achieve **98% straight-through processing STP** and mentoring **2 peers** to adopt the same workflow.
- Affirmed **200 US and Non-US market trades daily**, reducing **settlement risk by 30%** while leading a **mini-project** to standardize **affirmation checklists** across the team.
- Investigated and closed **95% of unmatched and failed trades within 24 hours**, coordinating with **brokers, custodians, and internal teams**, and initiating a **weekly huddle** that cut issue resolution time by **25%**.
- Executed **ad-hoc FX instructions** and **SGA futures settlements for 50 transactions daily**, meeting all **market cut-offs** and avoiding penalties, while coaching a **new hire** to full independence within **3 weeks**.

Associate

StateStreet Bank — Aug 2022 to Nov 2024 — Bengaluru

- Managed **100 daily client inquiries** on **custody services** (trade settlement, cash ops, repo trades, FX, achieving a **98% client satisfaction rate** and spearheading **weekly client calls** to improve communication.
- Monitored and reduced **high-risk failed trades queue from 240 to 110 breaks in 4 months 54% drop)** by leading a **task-force** that redesigned **escalation paths**.
- Coordinated with **cross-functional teams** and **external counterparties** to resolve **trade discrepancies within 1 business day**, reducing **settlement delays by 35%** and introducing a **dashboard** to track breaks.
- Performed daily **reconciliation of securities, cash balances, and corporate actions** for portfolios exceeding **$2B**, ensuring **100% alignment** between **custody and accounting records** while training **5 new hires**.
- Implemented **reconciliation workflow improvements** and **knowledge-sharing sessions** that raised **team productivity by 20%** and cut **turnaround times by 20%**.

Sales & Marketing Intern

Fortis Worldwide — 08/2021 09/2021 — Bengaluru

- Developed and launched **3 social media campaigns** that increased **customer engagement by 25%** within **one month** while coordinating a **small team of interns** for **content scheduling**.
- Compiled and analyzed **competitor data from 50 sources**, providing **actionable insights** that improved **pricing strategy accuracy by 15%** and presenting findings to **senior management**.
